

Peter Andre, recently named celebrity dad of the year for the second time running, is getting ready to entertain fans at Kempton Live on Wednesday 6th July with his electrifying live show.

Peter Andre commented: "I'm thrilled to be performing at Kempton Park on 6th July. I've heard that there's always a fantastic atmosphere at the racecourse on summer nights with all the families who come along.

"It's great that the youngsters can enjoy the horse racing and music on the same evening".

Peter's appearance at Kempton Live is the third event scheduled in a fabulous summer programme of entertainment. Crowds have already been treated to two fantastic evenings of live music in June. Big Band Night featuring Darius Campbell had the crowd singing along to some swing classics made famous by Frank Sinatra and Nat King Cole on 22nd June and X Factor finalists, Rebecca, Aiden and Paije had fans screaming for more at the launch event at the beginning of the month. All Kempton Live evening events finish with a fabulous fireworks finale, courtesy of Aurora Fireworks.

Peter Andre's appearance at Kempton Live coincides with the release of his brand new re-recorded single 'Perfect Night'. The track, written by Guy Chambers (Robbie Williams' 'Angel') and Taio Cruz, is taken from Peter's top ten smash hit album 'Accelerate'. The acoustic track which is released on 3rd July, showcases Peter's diverse vocal range and proves exactly why this album has been his most critically acclaimed to date. Voted the hardest working male artist in Pop by the PRS, this album has positioned Peter at the top of his game.

Speaking of the track Peter Andre said: "I'm thrilled to be releasing 'Perfect Night' as my next single. The feedback and reviews for the album has been fantastic and we decided due to the amazing reaction this track got from my fans on my national arena tour that this would be the next single. To work with artists and writers such as Taio Cruz and Guy Chambers was an awesome experience. We have re-recorded it and I'm so pleased with the result."

As well as being chosen as 'Dad of the Year' in 2010, Peter enjoyed a sell-out 38-date tour, a bestselling book My World, a top selling aftershave Conditional and a top selling perfume Mysterious Girl. Peter Andre has had numerous number one hit singles, two number one albums and has toured all over the world, collecting a multitude of national and international awards.

Amy Starkey, managing director of Kempton Park Racecourse, said: "With Peter Andre being such a famous performer and personality, we are anticipating the concert after racing on Wednesday 6th July to be very popular indeed".
